Comdent, it's never too late for a healthy smile

Your confidence shows through when you smile  
A healthy new you, it was there all the while  
You've got a brand new feeling  
You've got a whole new style  
Comdent, it's never too late for a healthy smile

Take care of yourself, it's easy to do  
Be good to yourself, there's only one you  
To come shinning through  
Call 1-866- Com-dent  
Call 1-866- Com-dent  
Cause it's never too late for a healthy smile  
It's never too late for a healthy smile.
