Who can you trust when you need to connect?  
Who can you ask to show you new ways?  
You're moving so fast, who can keep you in touch?  
For ten times ten years, we've widened your world  
Now we're moving ahead, into the future,  
Bringing a who new world closer to you.  
We're someone you know, someone you trust,  
We're LCTX.
